What are the best practices? Why are doctoral studies and schools necessary? What is the condition now at Serbian Universities? Where do we want to be at the end of the project and what are the steps that must be taken? Doctoral studies in context with Bologna agreement and postgraduate – MSc or MA level studies. Identification of common and divergent dimensions across disciplines.
Friday, September 19	Doctoral studies workshop moderated by Professor Vassilis Moustakis (Vasa). – Day 2, 10:00 – 17:00 <ul style="list-style-type: none">– Continuation of workshop activities from day 1. Concluding remarks and compilation of results.
Saturday, September 20	Departure from Chania.

There will be coffee / refreshment breaks during the meeting and the workshop. Meeting and workshop will be held at TUC Campus. For more information visit: www.tuc.gr (Meeting room has not been booked yet, participants will receive detailed information about a week before the meeting). TUC Campus is located outside the city (about 5 km from the center). An overview of location is available at <https://maps.google.com/maps/ms?ie=UTF8&t=m&oe=UTF8&msa=0&msid=202443002725292472957.0004de78b9cad2f4f5520&dg=feature> to come to TUC Campus you may use a bus – schedules should be available from the reception of your hotel. Alternatively, using a taxi may prove a better solution since the fare from the center should be 8 to 10 euro. Useful information about Chania and TUC may also be found at <http://www.tuc.gr/395.html> and <http://chania.eu/index.php/en/>

Participants may select from a wide range of hotels, all located in the city of Chania. Suggested hotels are all available through booking.com or other hotel booking sites. An indicative list of hotels follows:
